

An aerial photograph of a two-lane asphalt road that curves through a dense, lush green forest. A dark-colored car is visible on the road, moving away from the viewer. The road has a double yellow line in the center and white lines on the edges. The text is overlaid on the left side of the image.

How to talk to editors about data policies

A close-up photograph of a young green seedling with two leaves growing out of dark, rich soil. A single drop of water is suspended just above the soil surface, about to fall. The background is softly blurred, showing other seedlings in the distance.

Objections

“What about the resources and time needed for proper data curation?”

A scenic view from inside a tent looking out at a mountain range with a lake in the distance. The tent's orange interior is visible in the foreground, and a blue sleeping bag is partially seen. The landscape outside features a green valley, a body of water, and jagged mountains under a bright sky with the sun low on the horizon.

Is your data available?

This journal supports data sharing and has adopted an [Mandates Data Sharing and Peer Reviews Data Sharing](#) policy. Your manuscript must include a Data Availability Statement. You must share your data or have a valid reason not to have shared your data. You are also encouraged to include citations to available data in your references section.
